Pedro Caldas

LIMITED EDITION - only 5 pieces available!

I tried to combine some of the aspects of obstacles I loved the most when I was a grom with the ones I love the most today.

I believe a park should be able to change its setup through the season. This obstacle is not only thought to be hackable alone, but also with any other SHAPE obstacle.

Team Series

Pedro's A-Frame

My vision was to create an obstacle that, when separated into pieces, would include classic elements like the C&B and A-Frame obstacles every cable park should have. When assembled, it would offer limitless lines and hacks.
